Head Swimming Coach
Bill Campbell

Seventeen Year Record
Won 176, Lost 39

Recognized as "Master Coach" by the College Swimming Coaches Association of America . . . District Two "Coach of the Year" for 1972-73 . . . winner or co-holder of the Atlantic Coast Conference swimming title seven of his seventeen years at the University of Maryland. This is Terp swimming mentor Bill Campbell.

A three sport letterman in high school, Campbell went on to letter in swimming and track at Springfield College where he received his B.S. and M.S. degrees. He captained the swimming team and was the New England Intercollegiate Diving Champion in 1947.

After graduation in 1947, he joined the Springfield staff as a coach and was the freshman tutor of 1956 U.S. Olympic gold medal winner Bill Yorzyk.

1953 saw Campbell go to the Virginia Military Institute where, in his first year, he coached the Keydets to their initial Southern Conference swimming title. The following year his VMI squad won first place in the championships and set a new Southern Conference scoring record.

Coach Campbell moved to the University of Maryland in 1955, fielding the first Terrapin swim team in the University's history. Within three years, 1959-60, he was once again off on the championship road, winning the Atlantic Coast Conference. His coaching record at Maryland stands at 176 wins against only 39 losses.

In 1960, the State Department sent Campbell to Singapore, Malaya and Taiwan for four months to set up swimming programs in those countries and to coach their Games.

An Assistant Professor of Physical Education, Bill Campbell's academic specialty is kinesiology, which he teaches. He has presented numerous academic papers at physical education conventions.

Coach Campbell is married to the former Eileen Kane. They have two children: Michael 24, and Patricia 21.

ASSISTANT COACHES

PETER McGRAIN, Assistant Swimming Coach — Peter McGrain is presently a twenty-eight year old graduate assistant in the department of physical education. Originally from Westbury, N. Y., he received his B.S. in education from North Carolina State University in 1967 where he was a member of the swim team for four years. From 1967-71, Peter was a teacher and head swimming coach at John F. Kennedy High School in Painview, N. Y. Many of his swimmers were state and Eastern Interscholastic finalists. He received his M.A. degree in physical education from East Carolina University in May, 1973, where he served as an assistant swimming coach and a graduate assistant from 1971-73.

He has lectured on competitive swimming in Ireland at the European Games Training Camp in 1971 and in Mexico this past summer.

RICHARD SCHAVONE, Assistant Swimming Coach — Assistant Swimming Coach Richard Schavone is in his second year with the Terp swim team. A graduate teaching assistant at the University, working on his M.A., he is an instructor in the Service Program with a major emphasis in the aquatic area.

Richard received his B.S. in physical education in 1971 from the University of New Hampshire where he was a member of the varsity basketball and baseball teams.

He has served as swim coach for the Wayland AAU Swim Club in Wayland, Mass. as well as swim and diving coach at the Wayland Town Beach.

In addition to his other duties, Richard is currently a diving coach at the Silver Spring YMCA as well as the diving coach of the Women's Swimming Team at the University of Maryland.

Co-Capt. Chuck Berke

1973-74 OUTLOOK

The 1973-74 University of Maryland Swimming Team is an unknown quantity. Graduation took the finest swimming class in the history of the University. Jim Clifford, Rick Duschl, Marv Levenson, Tom Schaeberle, Gary Weber and Buster Yonych were the nucleus of teams that won 48 meets while losing only nine. These wins were against the most formidable teams in the East. This group also won four Penn State Relay Carnivals as well as the ACC Championship in 1970.

The Terps do have 14 returning lettermen. They are led by co-captain Chuck Berke, former ACC 200 butterfly champion, and Matt Glenn, who won the ACC 1650 title in 1971.

As usual, Maryland has a difficult schedule. North Carolina and Navy are the big ones in December. The opener against the Tar Heels could set the tempo for the season. Cornell and Villanova highlight the January schedule with Johns Hopkins and North Carolina State strong opponents in February.

Here is the prospectus by event:

Freestyle - The freestyle events could prove to be the strongest events for the Terps. Matt Glenn can hold his own in the 200, 500 and 1000 freestyle with practically any swimmer in the East. Co-captain Steve Mattutat, freshmen Sid Burkot and Bucky Clemson will add strength to the distance events. Sprinting, a weakness for the Terps a year ago, should be much stronger this year with Tom Cullinane, number one prep schooler in the sprints a year ago, Mickey Goodner, Chuck Wight and Dennis Carter.

Backstroke - John Simone, an ACC finalist a year ago, is the only returning backstroker. High School All-American Steve Schmidt and Garry Duschl will add depth to this event. Schmidt has the credentials to rewrite the Maryland backstroke records.

Butterfly - Chuck Berke, holder of all the Terp butterfly records, Jim O'Connor and Ed Gurka will handle the Fly events. These three men will swim faster this year but this is not a strong event for Maryland.

Breaststroke - This event was weakened with the graduation of Tom Schaeberle, ACC Champion. It is the big question mark for Coach Campbell. Paul Barrett, Pete Pedersen and Mark Rodgers are back. Freshman Bob Hassett, although recruited as a backstroker, could solve the breaststroke problem.

Relays - Two strong legs of the medley relay are gone. The big question mark is the breaststroke leg. The freestyle relay should be stronger with the addition of Tom Cullinane. Back from last year's relay are fine sprinters in Matt Glenn, Mickey Goodner and Chuck Wight.

Head Diving Coach

Tom Griffifths

Tom Griffiths is in his third season with the Maryland swimming program after serving his first year as an assistant swimming coach. He graduated from Southern Connecticut State College in 1971, receiving a B.S. in physical education. While at Southern, Griffiths competed as a diver for Dr. Bruce Hutchinson, a former Maryland Freshman Swimming Coach. He was the only diver at Southern ever to be elected as team co-captain.

Last year, in his first season as diving coach, Maryland had two divers qualify for the NCAA Championships and placed four divers in the ACC Swimming and Diving Championships.

Griffiths received a Master of Arts degree from the University of Maryland in August of 1973 and is presently a full-time aquatic instructor in the Physical Education Dept. His teaching specialty is scuba diving and springboard diving.

1973-74 MARYLAND DIVING TEAM

Front Row (l to r) Hugh Sale, Coach Tom Griffiths, Tom Killion.
Back Row (l to r) Bob Petrovich, Terry Schrider, Barry Hartwyk.

THE MARYLAND DIVING TEAM

Last season was possibly one of the finest for Maryland diving. Gary Weber, Bob Petrovich, Tom Killion and Barry Hartwyk all placed in the finals of the ACC Championships from both the one and three meter boards. This team performance was second only to the strong N.C. State diving squad. Weber and Petrovich each took turns at establishing new Maryland diving records and both also qualified for the NCAA Championships.

This year's diving group is not quite as strong as last year's due to the graduation of Gary Weber. The present squad is composed of five hard-working athletes from a variety of backgrounds.

The team will be led by senior Bob Petrovich, a Connecticut State Diving Champion while in high school. Bob has performed consistently well during the past three years and has All-America potential. He is by far the finest diver on the team.

Hugh Sale, a former gymnast in Maryland's Gymkana Troupe, will try his hand at diving before graduating in June. His hard work is making up for his lack of experience.

Tom Killion, a junior, barely made the squad when he tried-out for the team in his freshman year. He surprised everyone by becoming an ACC finalist in both his freshman and sophomore years. His hard work and "do-or-die" attitude has earned him the nickname "Crash Killion."

Barry Hartwyk is perhaps the biggest surprise to the Maryland Diving Program. He came to Maryland as a swimmer after having a fine high school career as a butterflyer. After his freshman year, diving coach Tom Griffiths persuaded Barry and Coach Campbell to have him become a diver. The transition was a successful one. Although he started from scratch in the fall of his sophomore year, he became an ACC finalist from both boards that spring. He is certainly the most improved diver on the team and has unlimited potential. He is now a junior.

Terry Schrider, a freshman, is the first woman athlete ever to compete on a men's varsity team at Maryland with the exception of the rifle team which no longer exists, and the first woman diver in ACC history. She was tutored in high school by an excellent age group coach, Carl Cox. She is the most consistent performer on the team and will see a lot of action this year.
